## ANNUAL REPORT OF THE YEAR 2019-2020

*"Come and see what our God has done, what awesome miracles he performs for his people"*

*Psalms 66:5*

By the grace of our Lord Almighty, the year 2019-2020 was of immense blessings of the Lord.

After the present executive committee was elected on 29-06-2019, the committee could take over and continue the activities of WLM with full vigor and enthusiasm.

Apart from the weekly Thursday prayers, and the 1<sup>st</sup> Tuesday prayers by Br. Elvis Kotooran, God was gracious enough to help us co-ordinate all the monthly 1<sup>st</sup> Friday mass until March 2020. By the intervention of our Lord, Fr. Mathew Sojan Maliakkal who is also a lawyer agreed to celebrate mass every 1<sup>st</sup> Friday, thus relieving us of the burden of finding a priest every month. Moreover the Lord was good enough to encourage many good hearted members to come forward willing to sponsor the mass every 1<sup>st</sup> Friday without the need for the executive committee hunting for sponsors. We thus could co-ordinate the celebration of 9 masses every 1<sup>st</sup> Friday from July 2019 to March 2020.

While so, we also got a blessed opportunity for our members to attend a 3 days retreat "Vachana Neeti Dyanam" from October 4 to October 6, 2019 at Divine Retreat Centre, Muringoor, Chalakudy, Thrissur. Our members worked hard and co-ordinated with a number of catholic lawyers in all court centres in Kerala and thus by God's Will a total of 42 members could attend the retreat and receive

great blessings. At the same time, a large number of members who attended this retreat from different parts of Kerala joined WLM as members.

Moreover, by God's grace our official website could be renewed and many articles written by our members, photos of the events etc.. could published in the website. The tiresome efforts of Adv. Geetha Tom and other committee members needs special mentioning.

Our X'mas celebrations was conducted on 16-12-2019, Justice Sunil Thomas, Justice C.S. Dias and Fr. Joshy Kochukudiyattil of Divine Retreat were kind enough to be our chief guests. The efforts and help from all quarters from our members and non-members are worth mentioning.

Our members visited the shrine of St. Mariam Treasa in the month of Febraury 2020, spend about an hour there in prayers.

We are also happy to inform that we have started a You Tube Channel and two of our members Adv. Reena and Adv. Geetha Tom had uploaded legally and biblically enlightening videos.

We are also happy to inform that the Kerala Legal Services Authority have accredited and approved WLM to conduct community mediation.

We also had discussions to conduct a one day class to enlighten our members and the Christian public to know their rights as a minority and the various schemes and scholarships available to the minority in this country which we Christians rarely make use of as a Minority .

☺

Thanking God for the wonderful year we look forward for a blessed year ahead.

Thank you.
